PROFESSIONAL EXPERIENCE

Creative and Content Writer

Cycle HealthTech | Lagos

05/2025 - Present

- Built and executed a search-led content strategy focused on health education, and product content to drive organic growth and user engagement.
- Published 20-25 SEO articles monthly, consistently producing long-form content aligned with search intent and user needs.
- Drove approximately 45% growth in organic traffic through keyword-driven content planning, SEO optimization, and consistent publishing.
- Used tools like Ahrefs, SEMrush, and Ubersuggest to identify keyword opportunities and build 10-20 content clusters per quarter.
- Managed content across blog, in-app, and social platforms, including daily social media content and campaign support.
- Worked with product and marketing teams to align content with feature updates and user communication goals.

SEO Content Writer and Strategist

Qarah ICT Digital Services | Ogun, Nigeria

02/2024 - 03/2025

- Contributed to 20-25% growth in organic traffic across multiple client websites through SEO-focused content strategies.
- Supported a 40-50% increase in content-generated leads by writing and optimizing blog posts and landing pages aligned with conversion goals.
- Conducted keyword research and competitor analysis to identify ranking opportunities, achieving page-one rankings for several high-intent keywords.
- Delivered 5-8 SEO-optimized articles per client per month, maintaining consistent quality and on-page SEO standards.
- Planned and managed editorial calendars to ensure timely publication and alignment with broader marketing objectives.
- Monitored content performance and provided data-backed recommendations using Google Analytics.
